RIGHT ON BEAVERS!

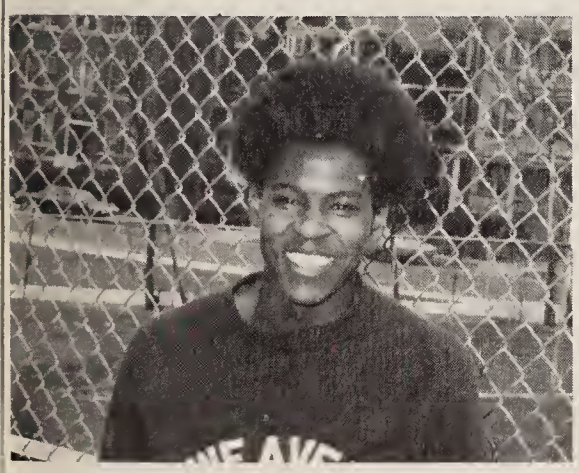

The "71-'72" edition of the Beaver football squad was indeed "Super Bad." The season got underway with an easy win over West Haven and continued to pick up momentum until the final game of the season. The "Green Machine" fell short of the coveted and intangible State title by losing the last game of the season. This was one of the best years ever for the Weaver football team. The final standings had Weaver in a tie for first place in the CDC, boasting a 9-1 record.

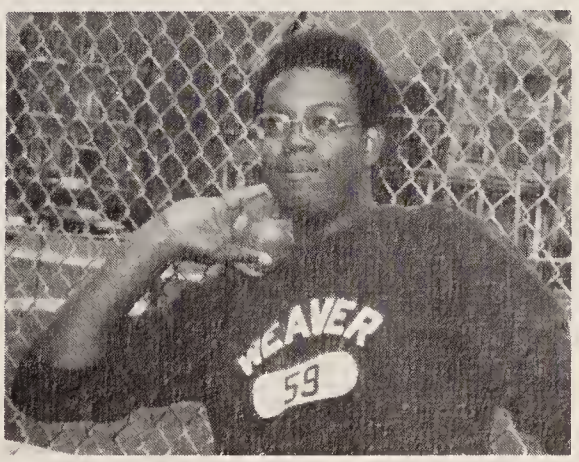

The soccer team continued in the winning pattern it formed last year. They posted a 12-1 record on the way to becoming champions of the CDC. With the help of some outstanding individuals a team was molded which was exceptional. The soccer team, too, was stopped short of a State title by being eliminated in the first round of competition.

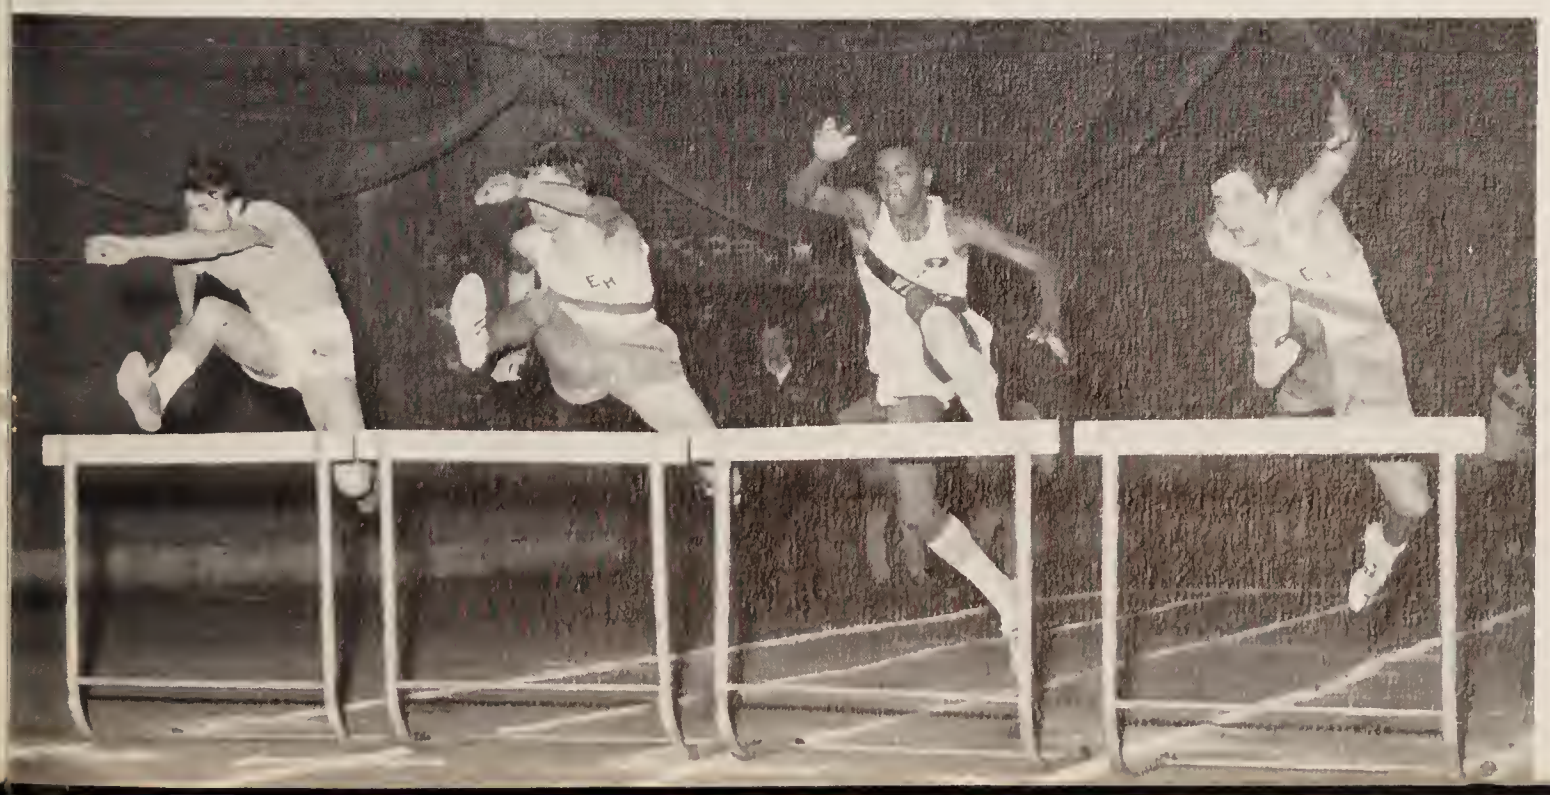

The basketball team had another great season this year. Although only two starters returned from last year's squad, a balanced scoring attack and the depth with which the team displayed is attributed to its success. Weaver went into post season tournament sporting a 16-4 record. We reached the quarter-final round of competition before losing a heart breaker to Hartford.

The track team started in the same spirit, which saw them emerge as second place finishers in the state last year. Their goal this year is to become the Number 1 state team. If the individual efforts displayed are any indication of the team's overall ability then they just may achieve their goal.

STUDENT COUNCIL

The Student Council forms the nucleus of Weaver High School. Their main purpose is to stamp out apathy among the student body and to generate school spirit. The Student Council, which is the major student organization of the school, makes decisions concerning government and social activities that affect the entire student body. This year the student council established a scholarship in memory of Anitress Terry, one of Weaver's outstanding students, who had a fatal accident during the year. The Council also raised money for an annual Student Council scholarship, which will be awarded to a graduating senior who possesses outstanding scholarship, citizenship and leadership qualities.

The Council organized a number of exchange programs with area schools. The purpose of these programs was to further the understanding among students about the different schools. The Council also provides the opportunity for students to develop leadership qualities by giving valuable experience through membership in the Student Council.

SENIOR CLASS OFFICERS

The Senior Class this year has done many good things. For the first time in the history of the Hartford Public School system, we, at Weaver, held a "Miss Weaver Pageant." To raise funds for our treasury we planned several benefit basketball games, bake sales, car washes, fashion shows and a dance. With this money we organized a Yearbook and Cap and Gown Day, a Senior Reception, and a Rag Day. These events were sure evidence of the cooperation between a large majority of our class members.

Special thanks is extended from the Senior Class officers to all to all those who have contributed their time and help in making our class functions a success.

PORTAL

As Faculty Advisor and Faculty Business Manager to the PORTAL, Miss Fugere and Mr. Karrer would like to extend their most appreciative thanks to the members of the Senior Class who have given their time, energy and money in order to make this year's Yearbook a success.

(FLOOR): Charles Barrow (Assistant to the Editor); Nate Davis.
(SEATED): Gwen Newman, Veronica Airey, Sandra Williams, Sharon Reed, Alfred Bingham, Rodney Howard.
(MISSING): Geraldine McLune, Gwen Gregory, Elaine Dawes, Alvin Bailey, Connie Daley.

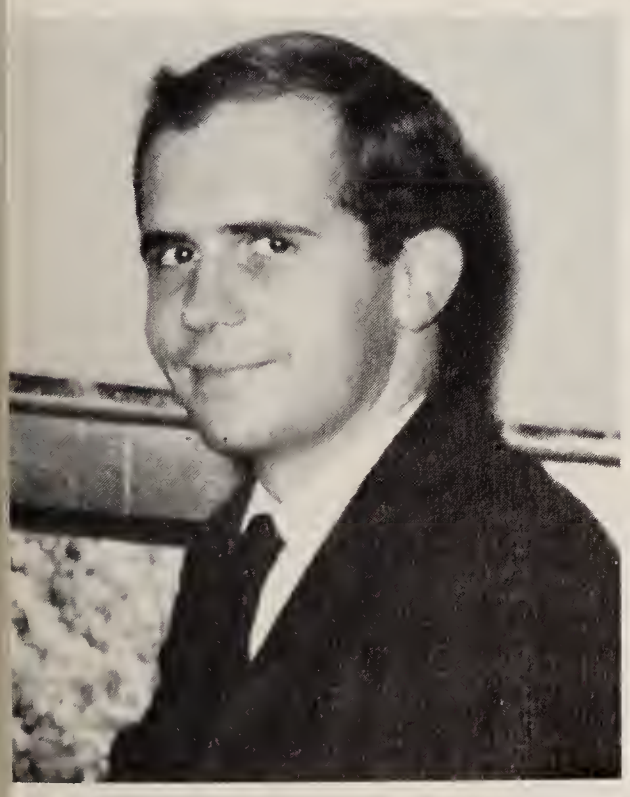

Miss Fugere, this is a pre-wedding gift from the Class of 1972, and especially from the chief executives of the POR-TAL, for your most devoted hours, to us, during your young and "free" life.

We hope you will look back on these days with a smile and feel very proud having worked with us in our teenage days—days of struggle for identity.

Best Wishes and a World of Happiness

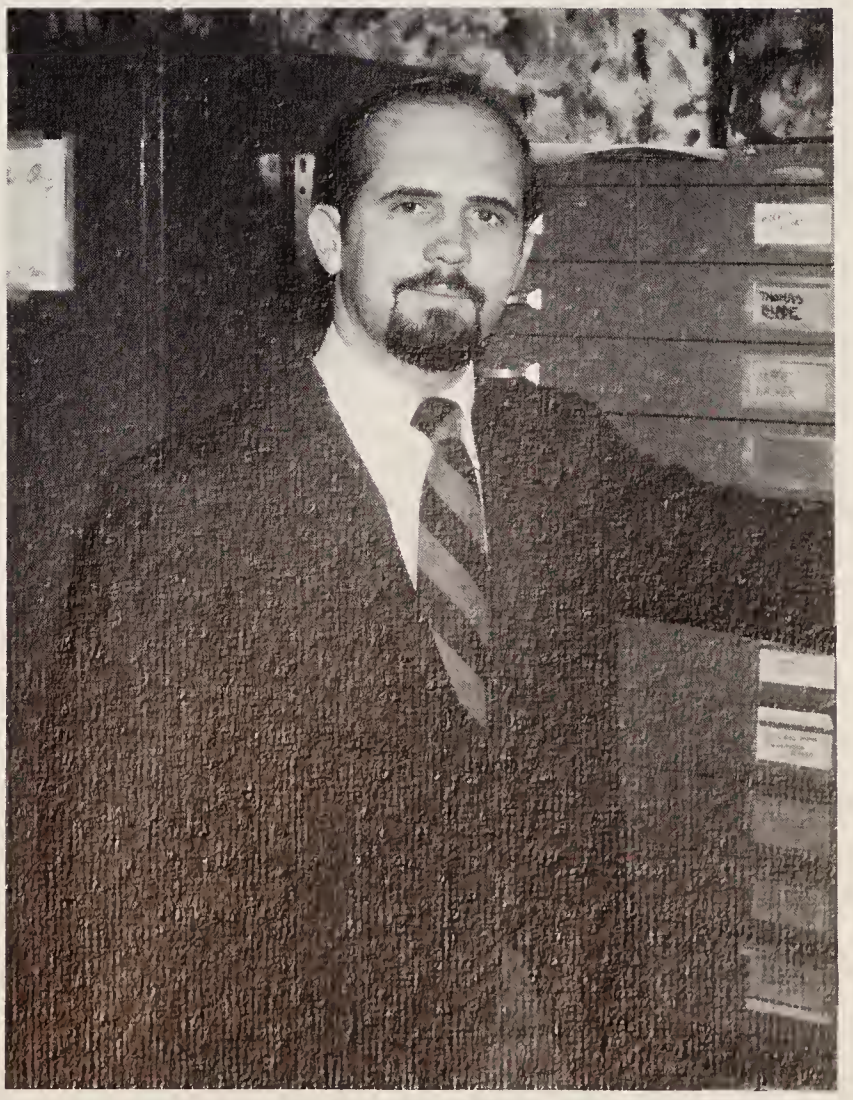

MISS CHRISTINE FUGERE
Faculty Advisor

MR. JOHN KARRER
(Before)
Faculty Business Manager

Very special thanks to you, Mr. Karrer, from the entire Class of 1972, for the time you have spent taking care of the business portion of our Yearbook.

Although you have worked with many Yearbook staffs, we hope that you have enjoyed working with us, as we certainly have enjoyed working and being with you. Thank you so much for your time and help.

MR JOHN LEE

This is a special dedication to the person who we feel has influenced us a great deal along our road to success and maturity.

Mr. Lee, this is to say we have found something very beautiful in you—your willingness to understand and accept us as young adolescents.

EDUCATION COMES FIRST

You as a young American now have an unequalled opportunity to improve your education in any one of numerous occupational fields by attending a Navy service school.

The Navy stresses education. Not only does it believe that a person's education should not stop after high school, but it knows that a good education makes you more valuable to your country, to your Navy, and to yourself.

HARTFORD NATIONAL
BANK AND TRUST

Congratulations to the Graduating Class of '72

Hartford National Bank and Trust Company, Connecticut's first bank, was founded in 1792. Weaver High School was established in 1924. Since that time, Hartford National has employed graduates in all phases of its banking operations.

Hartford National—where money goes to work for people—and where people make the difference in providing the best in banking service.

Society Girl
We ask a lot of a Society Girl.
She has to think fast and act fast. On a short lunch hour, you don't want to stand in line at the bank
And she has to understand people and like them.
She doesn't have to be as pretty as this young lady . . . but if she is, that's our good luck.
And yours

Epilogue

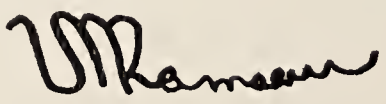

REFLECTIONS IN GREEN AND WHITE

As the Class of '72 leaves Weaver possibly for the last time, we hope you will remember all the things which you gained here. Sometimes there was turmoil and confusion, but we, the PORTAL staff, hope that when you look at this Yearbook it will cause you to reflect, not on the bad times, but upon the good times you had, a friend you made, a teacher who helped, and, maybe, even something you learned here at Weaver.

To those Seniors who were members of the executive board and the entire Senior Class, I extend my heartiest thanks and best wishes. After being Advisor to your class the past three years, I witness your graduation with mixed emotions. Friendships between you and myself make it a sad time. How else can a person feel when separation comes for him and those with whom he has shared many happy moments? I will never forget the bake sales, basketball games, fashion shows, proms and outings. These memories will always give an air of happiness to my life. Yet I am most happy and proud of your culminating accomplishment at Weaver—graduation. It is my hope that your years at Weaver—the hard work and the fun—will serve as a stepping stone to greater things for each and every one of you.

Thanks for the memories.
